NOTICE OF SETTING ON DISMISSAL DOCKET

By Order of the Presiding Judge, the above styled and numbered case is set for hearing on the 11th day of May, 2010, A.D., at 8:30 o'clock A.M., in the 408th COURT, FOURTH FLOOR, Bexar County Courthouse, 100 Dolorosa Street, San Antonio, Texas 78205.

The purpose of this hearing is to determine whether the case should be (1) RETAINED on the docket, or (2) DISMISSED for want of prosecution (failure to prosecute the case with diligence), or (3) DISMISSED pursuant to Rule 165a(2) for failure to meet the time standards specified in Rule 6 of the Rules of Judicial Administration. If no party seeking affirmative relief appears at the hearing, the case will be DISMISSED pursuant to Rule 165a(1).

You are reminded that this is not a docket for resetting cases, but a DISMISSAL DOCKET. Thus, prior to the date set forth above, appropriate action should be taken to evidence the party's intent to prosecute this case, i.e.

- If service of defendant has not been obtained, process should be served;
- If no answer has been filed by defendant and default judgment is appropriate, default judgment should be obtained;
- If all matters have been resolved, a motion to enter final order should be set and an order should be signed;
- If nonjury, a final hearing should be set and a final order entered;
- Otherwise, a nonsuit or dismissal order should be obtained.

All final orders that will remove a case from the Dismissal Docket must be submitted to the DISMISSAL DEPARTMENT (FOURTH FLOOR, BEXAR COUNTY COURTHOUSE) on or before the date set forth above. If none of the actions set forth above are taken prior to the date of the Dismissal Docket, the court will require the party(ies) to show cause why the case should not be dismissed.

Issued this 5th day of February, 2010, A.D.
